CREDIT RISK MANAGEMENT - THE NOVEL: PART 1

T3P, United Kingdom, 2014. Paperback. Book Condition: New. I. M. Wells (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Professor of Credit Management and MSc Finance, Programme Leader at Plymouth University, and Programme Leader for the Singapore Accounting Academy (SAA), has read and recommends Credit Risk Management - The Novel . She wrote to advise her decision as follows: I have recommended your book to a few libraries and added it to my recommended reading list. Managing customer and supplier risk in a real business (one that supplies real products and/or services) is an exciting and challenging career opportunity. However reading about the related subjects in text books can prove to be dull. This is not a text book, it is a story that follows the day to day work of a credit risk management team as they face and overcome various challenges. You are invited to listen in to their conversations and read the outline of the solutions they employ. The detail of their solutions appears at the end of the book so reading the detail is optional. There is a parallel story that follows the adventures of James E Cricket an Agent of the Office of Peace, which provides an undercurrent of twists and turns. A reader commented: It s a great idea to dramatise a subject like credit risk, I hope this becomes a trendsetter and effort is put in to make other similar subjects more interesting. . .we found obviously it s more vivid and attractive than a regular textbook by scheming plots in various scenarios instead of putting plain wording there only. a Shanghai couple. Credit Risk pervades every level of business, so as a business student or graduate there is no better way to supplement your...
