### ***Reviews***

*Good e-book and useful one. It typically does not expense an excessive amount of. I am just delighted to tell you that this is basically the finest book we have read during my very own existence and could be he best ebook for actually.*

*(Audra Hodkiewicz)*

## TROUBLE ON THE ST. JOHNS RIVER

Florida Kids Pr, 2008. Paperback. Book Condition: New. 175 x 127 mm. Language: English . Brand New Book. In Trouble on the St. Johns River, the Johnson kids Joey, Bobby and Katy are up to their adventurous way again. But this time, instead of exploring history, they're making it! Joey and Bobby start their summer vacation by setting out for their favorite fishing pond, but end up leading a crusade to clean up the environment instead. Finding the pond covered with green muck and dead fish, the brothers decide to "do something" about it. That leads to a close encounter with a manatee, a visit to a center that rehabilitates injured sea turtles, and a boat tour on the St. Johns River. What they learn through these experiences inspires them to create "The Greenies" and chart a course of action that captures the attention of many, including a local TV station. By the end of the story, Joey, who thought there was nothing kids could do to make a difference, realizes that perhaps they are the very ones who can. It's a story of awakening that will inspire young readers to become more aware of their environment and give them some ideas on how to preserve it. Several environmental groups have described the book as "informative and fact-based an inspiring tale of kids taking action an investigative journey of discovery and enlightenment a good example of how a small group of kids can generate a wave of positive awareness regarding environmental issues."
