CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 274 pages. Dimensions: 11.0in. x 8.5in. x 0.6in. Compilation is a book for college students who have difficulties to write essays and paragraphs. The essays and paragraphs are based on subjects or topics currently discuss in college. The samples of essays and paragraphs will help the learners in the courses: strategies for college success, political theories, speech, English preparatory, English compositions one and two, Bible as literature, theater appreciation, political science and many more. The examples in this book will take the students from the very beginning to a knowledge and control of various essential sentence structures, paragraphs, and essays of the English language. This book is the result of homework and exams in college and in university. Compilation retains the current basic ordering of structural points that students are encountering daily in college and the same frequency of vocabulary as used in college level or academic English. The present book, however, is not difficult for students to get familiar with because the organization and approach are very easy to understand. Compilation provides an eclectic approach to the presentation of many current topics and subjects that teachers usually ask students to write about in college. But he wants to remind everyone that perfection does not exist in this world. Thats why everyone should try to write without fear. This item...
