

## Origins and Redemption

By Ph D Rev Francis G Humphrey

Word Alive Press, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Origins and Redemption by Dr. Francis Humphrey hits the sweet spot for books discussing the creation versus evolution issue. Dr. Humphrey has written a book that is broad and deep - but not too deep. Deep enough that the scientific credibility of the Genesis account of creation as plainly read is clearly established and the implausibility of the evolutionary account is equally clearly established but not so deep as to be inaccessible to the average reader. Dr. Humphrey discusses the creation-evolution issue across a wide range of scientific disciplines and does not shy away from the issues that are difficult for creationists. Each area is well-researched and extensive references enable the reader to pursue additional research in areas of particular interest where additional depth is desired. After all this, he applies the same analytic rigour to the historicity of the resurrection and, therefore, to our redemption that is found in Jesus Christ, which is the second book-end in the title of the book. This is a must-have book for all church libraries and should be required...

### Reviews

*This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.*
