Book Tree. Paperback. Book Condition: New. Paperback. 312 pages. Dimensions: 9.1in. x 6.2in. x 0.8in. Then came Neil Freer (who) undertook a different kind of mind-boggling task. If all that I had concluded was true, he said, what does it all mean not to the human race and the planet in general -- what does it mean to the individuals, to each one of us He titles his new book God Games. But, if all the above is the Truth, it is not a game. Zecharia Sitchin (From the Introduction). This new book by Neil Freer, author of Breaking the Godspell, outlines the human evolutionary scenario far into the future. We are a genetically-engineered race with a dual racial heritage. Our half-Terran, half-alien genes place us on an accelerated, unique evolutionary path, already eagerly emerging from racial adolescence. Freer describes whats in store for us as this dawning genetic enlightenment reveals the new human and the racial maturity of a new planetary civilization on the horizon. We all can contribute to our racial future as we evolve from a slave species to far beyond what we could previously even imagine. The godspell broken, we new humans will create our own realities and play our own god games. Once we understand our true genetic history we will eventually move beyond the gods, religion, linear consciousness and even death. The subtitle. What do you do forever, inspires us to contemplate how things like four-dimensional consciousness, the realization of a Law of Everything and the option of immortality will enable the new human to determine his own evolutionary path. It is quite possible that great thinkers in the future will look back on this book, in particular, as being the one which opened the door to our full evolutionary potential and a new paradigm....
