Brand New Book ***** Print on Demand *****.Every year, hundreds of thousands of California fourth-graders embark on a fascinating journey of discovery called The California Mission Project. This project introduces kids and their families to the life and work of the Franciscan priest and founder Junipero Serra, whose vision and leadership established what ultimately became a network of 21 missions (built between 1769 and 1823) that shaped the life of early California and a history and culture that thrives to the present day.
