B-262256 SSA has requested that facilities it has contacted provide lists of their Current Initiative inmates to the local field offices. The agency has offered flexible reporting Addresses Current guidelines for frequency and format of the lists (computerized or on Prisoners and New SSA paper). In general, has requested that facilities that have provided data Admissions to it previously or on a trial basis continue providing data. In addition, SSA has requested that facilities that have not provided any lists in the past provide (1) a current census of their inmates and (2) continuing lists of has SSA new admissions to the facility. Specifically, we found that contacted the 25 largest jail systems in the country and requested prisoner SSA data from them. Most of these systems had agreed to supply with prisoner data beginning in early to mid-1996. One system...
