They would penalise everybody in the Transvaal for the purpose of striking at the rightly or wrongly abused Rand magnate. They vary this phase of the question by characterising the Imperial assent to Chinese labour as a reversion to slavery. What are the facts? What are the economic conditions of the Transvaal? Here then is a colony rich in mineral resources, but whose successful development is dependent upon an abundance of cheap unskilled workers. It abounds in large bodies of auriferous formation, the profitable treatment of which would be impossible in the majority of instances if the bulk of the labourers in the mines were paid on the basis of white men s wages in the Transvaal. It should not be difficult, of course, to secure the natives of South or Central Africa, of whom there are several millions. But the aboriginal is no lover...
