While there are many commentaries written today, most have been products of Euro-American scholars who have sought to address questions and concerns of the western church. The New Covenant Commentary Series (NCCS) has provided an opportunity for scholars from the non-majority communities in Biblical Studies to engage fully with NT writings without bracketing their diverse backgrounds in the interpretive process. Consequently, in Andrew Mbuvi s interpretation of Jude and 2 Peter, the author seeks to both be faithful in the first century Greco-Roman world setting of the letters while also allowing aspects of his postcolonial, African, and liberation theology interests to inform his hermeneutics. Mbuvi s useful analysis shows that Jude s and 2 Peter s message remains as relevant today as when the letters were written.
