Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

NICK HERN BOOKS, United Kingdom, 2004. Paperback. Book Condition: New. 234 x 157 mm. Language: English . Brand New Book. How to liberate the singing voice voice that is within each one of us - a comprehensive instruction manual, full of practical exercises, which starts with overhauling our attitude to our voice From the Author s Introduction: This book will be of use to you whether or not you have any experience of singing. This book will be of interest to anyone who is eager to find out more about the human voice, whether professional or amateur singer, actor, puppeteer or performance artist. It will be of interest to teachers of voice and singing as much as to their students. This book does not offer tricks or short cuts - it offers a complete overhaul of your voice, first and foremost by looking at the way you think about it. Among the sequence of topics covered are: Part One: Overcoming inhibition Part Two: Breath and the body Part Three: Sound and resonance Part Four: Using your imagination Part Five: Singing the song Part Six: Singing for others - including ten case studies: a housewife, a student actor, a professional singer etc Based firmly on the author s extensive teaching experience all over the world, and packed full of illustrations and exercises, Singing with your own Voice is the book for everyone who has always wanted to sing but has been too scared to try.
