John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Real World SharePoint 2007: Indispensable Experiences from 16 MOSS and WSS MVPs, Todd C. Bleeker, Robert Bogue, Adam Buenz, Andrew Connell, Stacy Draper, Microsoft recognizes key individuals who contribute significantly to the community of technologists through the Microsoft Most Valuable Professional (MVP) award. These individuals are active authors, speakers, bloggers, and innovators. They are also skilled network engineers, developers, trainers, designers, and architects. In the SharePoint community, these MVPs are recognized for their expertise in either Windows SharePoint Services (WSS) or Microsoft Office SharePoint Server (MOSS). This book represents the efforts of 16 MVPs in the SharePoint community to present core areas of SharePoint 2007 products and technologies seasoned with significant field experience. The idea behind the book is to lower the learning curve for the reader, while providing the insight necessary to avoid common missteps. This book is an extension of the work the authors have done in their own blogs, books, and presentations. This book is for the community of SharePoint professionals. That means that architects, designers, developers, administrators, and engineers all will find something useful in its pages. As a reader, you will want to focus on chapters that appeal to your areas of expertise directly. Some of the chapters, for example, assume a strong programming background, whereas others are centered on administration or maintenance. All readers should have some prior experience with SharePoint 2007 products and technologies to get the most out of this book, although the book does include an introductory chapter for those who are just getting started. The authors generally assume a working knowledge of SharePoint in an effort to focus the discussion on implementation and best practices. This book covers SharePoint 2007 products and technologies. Specifically, you will find topics relating...
