This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2007 in the subject Tourism, grade: 2,7, Stralsund University of Applied Sciences, language: English, abstract: Every company has its entrepreneurial aims such as market share, increasing profit, growth, enhanced image, satisfied and loyal customers. In the leisure and tourism industry the satisfaction of customer's needs and expectations through delivering benefits both tangibles and intangibles at a high quality is more important than anywhere else. The desires and expectations of the customers are changing very quickly. The number of competitors is rising. The competition for customers is getting harder and harder. In order to balance the customer's expected benefits with the company's economic goals there is the marketing department which is responsible for satisfied, loyal customers and profit generation by implementing a certain strategy and conducting diverse activities. On the fact of boosting sales one part of marketing becomes very important: merchandising. With the help of merchandising- knowledge a company can create extra-value to their products and services to catch customers and increase sales. This can be done by supporting...
