Elle feels his presence, smells his aftershave, hears him accuse her of killing him. And even though she doesn t believe in ghosts, she argues with him, asserting her innocence. Oddly, Elle has a gap in her memory; she can t account for her activity during the time of his murder. As she tries to clear herself by finding out how Charlie died, she discovers that she had plenty of reasons to kill him. Charlie had secrets. Infidelity. Unsavory business associates. Involvement with an international organization of sex abusers. The more she learns, the more danger she faces. As unscrupulous people begin to fear she will expose them, Elle races against time to avoid arrest, fight off attackers, solve the murder, and make peace with Charlie s spirit.
