Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

CITIZEN NINJA: STAND UP TO POWER

Ronin Publishing, United States, 2016. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book. Citizen Ninja stand up to power in pursuit of freedom, truth, and justice. Citizen Ninjas speak up; they don't wait for others to speak for them. Citizen Ninjas are prepared, discerning, self-reliant and assertive. They step out of their comfort zone to nimbly challenge powerful entities that disenfranchise the public and reduce citizen power. Citizen Ninjas respond to community issues and actively engage City Hall to make a difference. They pay attention to government business and actively direct elected public servants to create policies that benefit the interests of the whole community. They are the activists who demand government transparency and are the watchdogs who speak out when there is corruption or ethical wrongdoing. Citizen Ninjas are passionate. They know that their civic participation places them in a better position of influence when new regulations, mandates, and ordinances are enacted. Citizen Ninjas are activists who strive to preserve the power of self-government--a representative republic that is of the people, by the people, and for the people. They actively engage in the public square rather than passively allowing government agencies to make decisions on their behalf. While being passionate, Citizen Ninjas avoid throwing vitriolic word bombs like fascist pig or baby killer and instead build trust, find common ground, and work toward constructive solutions. Showing up at a city council meeting, a public workshop, a rally, or a town hall meeting to express dissatisfaction is the right thing to do, but being effective takes more than good intentions. Citizen Ninjas are smarter, more cunning and strategically savvy in approaching highly organized government agencies, powerful corporations and established non-governmental organizations they partner with. In Citizen Ninja author Baker presents a peaceful approach...
