Soon before his departure, he received an awful phone call: his mother was in a car accident. She used her dying words to offer calm advice to her son, urging him to continue their shared work in the greenhouse tending to the rare *Rosa candida*. Prior to his mother's death, in that very same greenhouse, Lobbi made love to Anna, a friend of a friend, and just as he readies his departure he learns that in their brief night together they conceived a child. He is still reeling from this chain of events when he arrives at his new job, reinstating the rare eight-petaled rose in the majestic forgotten garden of an ancient European monastery. In focusing his energy cultivating the rarest rose, he also learns to cultivate love, with the help of a film buff monk and his newborn daughter, Flora Sol. book.
