Reviews

Thorough information! Its this type of great go through. It is amongst the most incredible publication i actually have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Germaine Welch)

SALUTARY ACTION

Createspace, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Salutory Action is a provocative treatise on the obesity epidemic in America. The text discusses theories of the causes of obesity, the industries that are profiting from the American obese population and what is necessary to stem the epidemic. With unflinching clarity, Salutory Action identifies how pharmaceutical companies, the dialysis industry, the fast food industry and governmental protection agencies are reaping large financial benefits from the fattening of United States citizens. Greed is evident in every facet of disparity of healthcare in America, the rise in obesity and co-morbidities. There is complicity of the American government for the fattening of America as reflected in laws put in place to protect the guilty and the persons put in positions of power within the Food and Drug Administration and United States Department of Agriculture. Refusing to acknowledge things, like multi-billion-dollar industries that market candy cereal to children and then diet pills to adults; food industry putting additives in foods that addict the population to high calorie foods; that studying the Obesity Epidemic is profitable to many governmental agencies and the generation of environmental agents that modify human metabolism to retain increased fat, is asking for the continued trend of increasing obesity. Contrary to best health principles, some companies have resorted to disguising the use of sugar in health food products to lull the public into buying them believing that they contain more wholesome nutrients. Chobani, a yogurt company, uses the term evaporated cane juice on its label, despite warnings from the Food and Drug Administration not to use the phrase since evaporated cane juice is just sugar, and not a juice. What is glaringly obvious is that pharmaceutical companies are...
