THE POLITICAL CRISIS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Political Crisis In closing an article on the Political Situation, in the April number of this Review, we expressed our fervent hope that Congress and the President might soon come to see eye to eye, and agree upon a joint policy which should be, like the wisdom from above, first pure, then peaceable, full of mercy and good fruits, without partiality, and without hypocrisy. We need not say how grievously this hope has been disappointed. The differences, which six months ago seemed not incapable of being reconciled, have since widened into an impassable chasm. The Executive and Legislative departments of the Government are arrayed against each other in open and determined conflict. Both have appealed to the country and already the popular verdict has begun to utter itself. The nation is in the midst of a political crisis as momentous as any it has ever known. We propose to take a brief survey of the contest, and of the issues involved in it. In our previous article we traced the President s policy down to the veto of the Civil Rights Bill. His message returning that bill left but little ground of hope that he would approve of any plan of restoration, which the wisdom of the National Legislature might devise.
