By Horatius Bonar

Great Christian Books, United States, 2013. Paperback. Book Condition: New. Michael Rotolo (illustrator). 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Words to Winners of Souls is essential reading for the soul of the minister, but will do great good to that of the layperson as well. After all, every Christian is called to be an evangelist. Bonar puts forth probing and convicting questions to those who would seek to be used of God to lead souls to Christ and to the pastor whose responsibility it is to always be communicating the Gospel to his people. When you read this book you will necessarily take time to search your soul before God, and repent of the sins that so easily ensnare-sins that cause us to grow lazy and dull to the awesome message of salvation in Jesus Christ. This classic needs to be on the shelf of every pastor and should be read periodically as a reminder of the awesome duty, privilege and responsibility of being entrusted with the words of life. May God heavily burdened you to pray for the souls of the unsaved and preach the good news.
