THE BUSINESS OF CLIMATE CHANGE: CORPORATE RESPONSES TO KYOTO

Greenleaf Publishing. Hardback. Book Condition: new. BRAND NEW, The Business of Climate Change: Corporate Responses to Kyoto, Kathryn Begg, Frans Van Der Woerd, David Levy, In recent years climate change has become a leading issue on both the business and political agenda. With the Kyoto Protocol to the UN Framework Convention on Climate Change now ratified, business is bracing itself for the reality of serious regulation on the reduction of greenhouse gas emissions. The Business of Climate Change presents a state-of-the-art analysis of corporate responses to the climate change issue. The book describes and assesses a number of recent business approaches that will help to identify effective strategies and promote the dissemination of proactive corporate practices on climate change worldwide. By identifying the factors that cause companies to pursue low-carbon strategies and support the Kyoto process, the book will also be helpful to governments in formulating policy. Business and industry have a crucial role to play in the implementation of the Kyoto Protocol. They are major emitters of greenhouse gases, and pressure is mounting for them to engage in a range of mitigation strategies, from emission inventorying and trading schemes to investments in low-carbon technologies. Behind the scenes a number of companies have started to develop strategies to curtail greenhouse gas emissions. These strategies can be very diverse in nature. At a political level, companies try to influence policy implementation and, more specifically, to test ideas in anticipation of possible regulation on the climate change issue. At a more practical level, there are a burgeoning number of initiatives to conserve energy use in production, transportation and buildings, to develop renewable sources of energy, to measure carbon emissions and sequestration at a detailed level, and to develop various markets for trading carbon credits among companies and countries. Some technologies, such as...
