THE COMPUTER IN TRAINING AND DEVELOPMENT

Book Condition: New. Publisher/Verlag: Springer Netherlands | Seldom if ever in recent history has a single technological advance made such sweeping changes in our lives as has the advancement of the digital computer. As you probably are aware, the computer itself is not a brand-new device. What is new (and growing every day) is the percentage of the population that is using computers in business and personal environments. The personal computer's popularity is growing by leaps and bounds primarily because...
