Following Muhammad: Rethinking Islam in the Contemporary World

By Zachary Smith Professor Department of Religious Studies
Carl W Ernst

University of North Carolina Press, United States, 2004.
Paperback. Book Condition: New. 206 x 135 mm. Language:
English . Brand New Book. Avoiding the traps of sensational
political exposes and specialized scholarly Orientalism, Carl
Ernst introduces readers to the profound spiritual resources of
Islam while clarifying diversity and debate within the tradition.
Framing his argument in terms of religious studies, Ernst
describes how Protestant definitions of religion and anti-
Muslim prejudice have affected views of Islam in Europe and
America. He also covers the contemporary importance of
Islam in both its traditional settings and its new locations and
provides a context for understanding extremist movements like
fundamentalism. He concludes with an overview of critical
debates on important contemporary issues such as gender and
veiling, state politics, and science and religion.
