Janet Taliaferro, United States, 2011. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Coming of Age in the 1950s They called us the Silent Generation. Our men followed the Greatest Generation into another bloody war after only five years of peace; the Korean War. Remember it? Nearly as many of us died there as in Vietnam, the Baby Boomers war. Shelia is helped through her trauma by the other women and by the young man she considers her true love. Part three takes place thirty years later, at an impromptu reunion of the four college suitemates. They have all undergone changes in the intervening years, and answers to many questions raised in the first two parts come to light as they catch up...
