SEX ONLINE: FUN WITH ADULT FRIEND FINDER AND OTHER SWINGING SITES

Createspace, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.What about these online sex sites? Are they for real? Do they work? Can you really find good sex there? Are they safe? What does it take to be successful there? Will people find you attractive? How hard is it to find a partner? What are your chances? Can those chances be improved? What is likely to happen when you meet someone? What kind of ad makes people look? What kind of photos work best? What should you definitely not do? Are these people real or not? What if no one looks at your ad or responds to your messages? AdultFriendFinder claims 34 million members worldwide, and it is only one of many such sites. In all, probably close to a hundred million people have joined such a site at one time or another in the past decade. Millions have succeeded at finding partners-especially women. Millions have failed to find partners-especially men. Millions more are wondering if sex online is for them. Millions will join, then drop out because they didn't approach it the right way. Sex Online is the best guide to AdultFriendFinder and similar sites. Based on several years of research and participation and interviews with hundreds of users, it reveals the tricks of the trade and explains how to get what you want on these sites. And once you have found sex online and a good partner, you might enjoy trying your luck at swing clubs and swinging house parties. This book takes you on a tour, tells you what it's like, explains what to do and what not to do.
