

The Cultural Tsunami

By Patty Frey Nelson

Xulon Press. Paperback. Book Condition: New. Paperback. 252 pages. Dimensions: 8.9in. x 5.9in. x 0.8in. Using the visual image of a tsunami as a powerful metaphor, Patty Nelson examines the overwhelming wave of pressure that adolescents experience regarding their identity and core belief system beginning around age 12 and continuing through the teenage years. She describes this peer and cultural pressure as a Cultural Tsunami that is engulfing this generation. As Nelson describes it, This destructive wave of pressure comes through the school environment, television, movies, the internet, music, peers, older siblings and sometimes parents themselves. Often adolescents and their parents don't know what hit them. Their entire perspective on their own identity and their relationship to the world around them is shaken to the core. Behavior that was once praised as good is now ridiculed. Beliefs about good and bad are turned upside down. Good is no longer good and bad is no longer bad. Clothing choices, hairstyles and body type that went largely unchallenged in elementary school are now looked down upon and harshly critiqued by peers. Patty Nelson has tremendous insight into the youth culture and offers sound biblical solutions. A must-read for parents, youth workers, pastors and...

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better than never. I found out this book from my dad and i encouraged this pdf to find out.
