Ever s mom loved fairy tales, but at fifteen-years-old and weighing 302 lbs, Ever Davies is sure that happily ever after was never written for her. She lives under the constant scrutiny of everyone around her, and Skinny - the voice in her head - makes sure she never forgets how fat and ugly she is. That is, until Ever decides to take drastic action. With the help of her long-suffering friend Rat, Ever embarks on the risky, terrifying journey of gastric surgery. But while Ever s body gradually changes on the outside, she soon finds that changing the person on the inside is much harder. And silencing Skinny is the hardest task of all.
