Xulon Press. Hardcover. Book Condition: New. Hardcover. 258 pages. Dimensions: 8.5in. x 5.5in. x 0.8in. DoC BiCs history as a disciple of Christ is long and complex. His life as a physician, surgeon and career military officer (Colonel) was built upon a spiritual foundation dating as far back as he can remember, or as he puts it: at least since a toddler on my mothers lap in devoted church life. Doubting that he ever did consciously not believe in God, and Christ as his Savior, he does note his public formal declaration as early as around the age of twelve, already well into a Christian life of worship. Growing up in the projects of Bradenton, Florida afforded the early honing of prayer skills and spiritual warfare. And, his subsequent migration through various Protestant denominations and Catholicism helped him develop a mature view of the commonality of true worship as well as an appreciation of the divisiveness of bias within the body of Christ. He credits non-biblical doctrine and tradition as a severe stumbling block until God finally rescued him from it. Now, as he makes his rounds through non-denominational fellowships, his grey-haired perspective advances into senior mentoring and blessing of his brothers and sisters, in his love for the Kingdom of God. Long ago recognizing his calling into the office of Teacher, he has pursued his studies and support intermixed with his secular careers, always devoted to staying attuned to Gods next mission for him. He partners with a devoted wife of 36 years who wears a mutually beneficial gifted intercessory prayer calling, as well as being blessed by gifted callings upon his children, equally beneficial and mutually supportive. His only pursuit today is to Be Still, hear his Fathers voice, and then move out: I was born into death, I...
