Cool Gus Publishing, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Would you sell your soul to have anything you wanted? Adam Prescott has everything; he's earning big money as an emergency specialist at one of Boston's biggest hospitals, he has a fancy apartment in Beacon Hill, everything is working out fine. But when his girlfriend dumps him, it hits him harder than he expected, and he lets himself spiral. On the advice of his boss he takes a sabbatical in rural Mexico - a place where they still believe in magic - and in witches. A mysterious figure called the Black Crow tells him he can cast a spell and give him anything - anything - he wants . and though he doesn't really believe in any of it, Adam is tempted. Anything at all? Okay, he says. Okay get me my girlfriend back. And that's when the nightmare starts. From the witch markets of Mexico City to the ancient valleys along the Guatemalan border, places still haunted by the statues and ruins of the Olmecs, he is drawn deeper into a world he doesn't understand and comes to question everything he once believed. Are witches just superstitious nonsense? Or is there such a thing as real evil in the world? The Black Witch of Mexico is a chilling psychological thriller where nothing is quite what it seems. So be careful what you wish for - you might just get it.
