Paperback. Book Condition: New. Not Signed; This book offers a ground-breaking argument for better treatment of mental health from Richard Layard (author of Happiness) and David M. Clark. Britain has become a world leader in providing psychological therapies thanks to the work of Richard Layard and David Clark. But, even so, in Britain and worldwide the majority of people who need help still don't get treatment. This is both unjust and a false economy. This book argues for change. It shows that mental ill-health causes more of the suffering in our society than physical illness, poverty or unemployment. Extremely easy and pleasurable to read. It's the most comprehensive, humane and generous study of...
