In order to meet this demand the Board has prepared pamphlets containing the questions in certain subjects from 1911 to 1915 inclusive. These pamphlets are as follows: 1. Examination questions in Latin and Greek, 1911-1915. 2. Examination questions in English and other modern languages, 1911-1915. 3. Examination questions in mathematics, 1911-1915. 4. Examination questions in history, 19x1-1915. 5. Examination questions in the natural sciences and in drawing, 1911-1915. Besides meeting the needs of candidates for examination and their teachers, these publications ought to have more widely a beneficial influence upon teaching for the reason that they illustrate in concrete form principles agreed upon by many leading teachers of the subjects represented.
