Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.At a time when self growth seminars and new age videos and books are challenging us to live free of limitation and fear, Kiros offers us the opportunity to embark on an odyssey free of any restrictions of the human mind; a way out of the labyrinth we often find ourselves in and into the realm of consciousness. His stories of truth seeking and triumph over ego, along with his testimonies of celestial encounters, offer encouragement to even the weariest of travelers. New Age Odyssey reveals the secrets needed to successfully navigate our life course, and reading its angelically inspired pages will lead to clarity and understanding of the choices we make and the drama we attract. Kiros tells us, All the paths we take, whether painful and dramatic or happy and productive, will lead us to healing if we create that intention. When we find ourselves in a labyrinth of confusion and turmoil, each of its turns will offer an experience we can use to uncover issues that need our attention. The answers to all our questions are stored within and waiting for the right key to unlock them. On our quest for this key, teachers and other guides will appear. We need to be able to discern between those that may intentionally or unintentionally lead us further into confusion from those that will skillfully help us out and towards our best outcome.
