BRAND NEW, Mastering the Nikon D7000, Darrell Young, Mastering the Nikon D7000 by Darrell Young provides a wealth of experience-based information and insights for owners of the new D7000 camera. Darrell is determined to help the user navigate past the confusion factor that often comes with complex and powerful professional camera equipment. The book explores the features and capabilities of the camera in a way that far surpasses the user's manual. It guides readers through the camera features with step-by-step setting adjustments; color illustrations; and detailed how, when, and why explanations for each option. The learning experience for new D7000 users goes beyond just the camera itself and covers basic photography technique.
