If you are someone with limited space but want to grow your own fresh fruits, veggies, or flowers, this is the ideal option for you. This book will take you systematically through choosing the right garden choices, set up, and care of a vertical garden. These beautiful gardens can take up very little space and can bring a splash of color to your home's exterior. They are ideal for those who have limited yard space but still want to enjoy the benefits of a garden. They can also be used as accent pieces around the exterior or even interior of your home. Instead of creating the garden on the ground, save yourself hours of back-breaking work and create your garden at a height you can easily access. Even if you have never heard of a vertical garden before, this book will explain it all. There are ideas for the design and layouts as well as tips and tricks on the best planting methods and placements. You don't...
