Reviews

*It is one of the best books. Indeed, it really is playful, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Crystal Clarity,U.S., United States, 2014. Paperback. Book Condition: New. 3rd ed.. 170 x 140 mm. Language: English . Brand New Book. What sets this book apart from other astrology titles is Kriyananda s focus on the spiritual potential of each sun sign, rather than focusing mainly on the karmic limitations. It is so common to hear generalizations such as: Leo is proud, and Taurus is stubborn. In his book Kriyananda shows how, with awareness, attention, and will, one can cultivate the higher potential of his sign, leading to greater fulfillment and success. Leo can shine as a channel of light and creativity, without pride, if he remembers that Spirit (not ego) is the doer. Taurus can be the essence of loyalty and perseverance, without being stubborn, if he develops an inner fixity of purpose while practicing an outward flexibility. In other words, the horoscope shows karmic patterns of energy. We can learn to work with these energies and develop their more refined, higher octaves, which will then magnetize new possibilities into our lives. The fundamental point is that the horoscope shows one s karmic energy situation, but not who he really is the spiritual Self within. Kriyananda s approach is to encourage and inspire one s Self to awaken, and to express itself through the sun sign. Within each of us is vast potential to be awakened. Your Sun Sign as a Spiritual Guide is a beautifully inspiring book that will open doors and encourage one in this direction. This book also guides the seeker to an understanding of the subtle aspects of the spiritual path as it manifests for him through his particular sun sign. Yogic understanding is rich and often runs counter to prevailing thought. So too with astrology, the reader will find vistas of understanding opening as...
