2011. Hardcover. Book Condition: New. 290 This book contains 15 chapters, each dealing with an important problem that is plaguing the people at large. Many of the maladies discussed therein pertain to most of the underdeveloped and developing countries, though they are depicted with an Indian background. The topics have been presented in a mix of fiction and facts. The discourse on key social issues throws light on various aspects of the problems and also probes propounding certain solutions to them. The delineation aims to create public awareness of social issues, alert people to growing perils, edify wrongdoers, deter the youth of today from going astray and make the Government authorities more sensitized to the consequences of their apathy and dishonest behaviour. The book also displays an intention to impact standard English to the college students. About The Author:- S. Ganesan was born on 1st June 1943, at Pudukkottai-a district in Tamil Nadu. He had his Elementary and High School Education in the local Government school and happened to be one among the rank holders of his schools. He later, had University Education and got his M.A in English Literature from the Annamalai University in his own State. Feeling impelled by the background of the syllabi prescribed for study of literature, he has visited most of the major European countries.Regarding occupation, he assisted his presents in farming operations since he was born in an agricultural family. Besides studies, he worked in lands on holidays and learnt agriculture at his young age, which was very useful to him in later years. He entered the State Government servie in Tamil Nadu and he was retired in 2001. His duties in the Panchayat Raj and Rural Development Department enabled him to serve at several stations across the State. As an Extension Officer, he...
