

Golden Jubilee Edition of the Paradise of Childhood: A Practical Guide to Kindergartners (Classic Reprint)

Filesize: 6.05 MB

Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Golden Jubilee Edition of the Paradise of Childhood: A Practical Guide to Kindergartners When I first heard the title of this book, The Paradise of Childhood, applied to the kindergarten, verily, thought I, this name is well deserved and aptly chosen, for the original edition fell into my hands shortly after my first visit to the kindergarten of Madam Maria Kraus Boelte in New York city. The enlarged edition has held its own since 1896, proving a helpful guide to many teachers and mothers remote from training centers as well as an excellent text or reference book in training classes. The life of Froebel, written for the Quarter Century edition, by Henry W. Blake, A.M., has proved invaluable and will remain intact in this edition. The purpose of the present edition is to present some of the later results of kindergarten progress in comparison with the past. Certain changes have been introduced gradually under the beneficent criticism of psychologists and physicians, and the influence of general progress in the whole sphere of education. It should not be forgotten that this general progress is due in part to the study of Froebel's writings, especially The Education of Man. This book has been and is now being studied by teachers in normal schools, colleges, and universities. It is recognized as one of the great educational classics touching, as its title suggests, education at all points. Kindergartners for many years neglected this book, confining themselves too closely to the details of kindergarten gifts and occupations, but with the general progress of educational thought they too are now studying Froebel's views on broader lines. Differences of opinion...
