Outskirts Press, United States, 2014. Paperback. Book Condition: New. 234 x 157 mm. Language: English . Brand New Book ***** Print on Demand *****.Have you ever asked yourself, what can i do that will make me happy all of my life? You are not alone. You being happy all your life is what actually i describe as living; because God intended life to be lived. However, happiness should never be pursued but it is something that should come as a result of you discovering meaning in life. From time immemorial men and women have given themselves to huge projects, self indulgence, pursuit of dreams and so much more all in the name of search for living. No matter the achievements, they have always discovered that true living keeps evading them. This first happened to King Solomon the wisest and richest man who ever lived. After having pursued and achieved everything he ever dreamt, he concluded that it was all emptiness, a chasing after the wind. He never found living or lasting happiness in all those achievements. In this book i share the secret to living and lasting happiness, instead of dying trying just like Solomon was and many are today. Have you come to that point where you feel like life has hurt you so bad? Do you hate it? Do you feel like there is a diminishing return of pleasure for all the efforts you have done to live life? Do you feel life is unfair? Is everything hopeless and you feel like giving in to despair makes more sense? Then this book is right for you. By the time you finish the reading, you will not only start loving and living life, but happiness will ensue and it will last. Life can never be lived and fully enjoyed...
