THE BEE-MAN OF ORN, AND OTHER FANCIFUL TALES (1887) BY: FRANK R. STOCKTON

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.In the ancient country of Orn, there lived an old man who was called the Bee-Man, because his whole time was spent in the company of bees. He lived in a small hut, which was nothing more than an immense bee-hive, for these little creatures had built their honeycombs in every corner of the one room it contained, on the shelves, under the little table, all about the rough bench on which the old man sat, and even about the head-board and along the sides of his low bed. All day the air of the room was thick with buzzing insects, but this did not interfere in any way with the old Bee-Man, who walked in among them, ate his meals, and went to sleep, without the slightest fear of being stung. He had lived with the bees so long, they had become so accustomed to him, and his skin was so tough and hard, that the bees no more thought of stinging him than they would of stinging a tree or a stone. One day, there stopped at the hut of the Bee-Man a Junior Sorcerer. This young person, who was a student of magic, necromancy, and the kindred arts, was much interested in the Bee-Man. Do you know, he said, when the Bee-Man came out of his hut, that you have been transformed?.
