MIAKODA: POWER OF THE MOON

Paperback. Book Condition: New. Paperback. 82 pages. This is a nice adventure story for people of all ages to enjoy. The book is about a family that moves to Alaska. The children of this family are not happy about moving, especially the Parkers son Jonathan. Soon after the move, the children make some new friends, including an old indian named Blackwolf. And this begins an adventure and an experience, that will never be forgotten. Here is the synopsis. . . It all started on a cold night in January 2001. We had just landed in Anchorage, Alaska. My mother and father got off the plane first, followed by my little sisters, Jennifer and Devon, and then me carrying my 2 month old Malamute puppy. Thus begins this first novel by Jon Parker inspired by his beloved malamute, Nayanna. The narrator is the Parkers son named Jonathan who lives on a small ranch with his family. The Parkers live near an Indian man named Blackwolf, who teaches the children about surviving the wild, wolves, and the power of the moon. This inspiring tale describes the true bond between humans and their best friends, our beloved dogs. And an adventure that will never be forgotten. And here is my bio: Born in Quantico, Virginia in 1969 to Gary and Cecelia Parker. Jon grew up in Martinsburg, WV where he graduated in 1988 from Martinsburg Senior High. He was married in 1989 and now lives in Pennsylvania with his wife Marni, three children, Jonathan, Jennifer, and Devon, and their beloved dog Nayanna. He enjoys cooking, bowling, golfing, writing, Sci-fi movies, and spending time with his family. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN.
