Oxford University Press, United Kingdom, 2014. Paperback. Book Condition: New. 189 x 154 mm. Language: English . Brand New Book. Primary Science for the Caribbean is a major new science course designed specifically for the Caribbean science curriculum. Highly illustrated with a lively design, this series makes science fun and encourages students to think for themselves. The series places science in a real world context and supports an integrated approach to the teaching of science for primary grades 1-3. Written by experts in primary science education, this series includes a teacher's guide that provides sound background material and interesting ideas on teaching science.
