Mr. Cropper treats bis subject in four sections: --(1) Elementary, (2) Elementary Practical Bookkeeping, (3) Practical Accounts, (4) Examinations. In the first section the rudiments of the subject are discussed in such a general manner as is suited to those commencing the study of accounts for the first time. In the second section the student is introduced to various books of account--the uses of each and its relation to the other books is clearly indicated; the different commercial usages which are necessary to a proper understanding of the...
