Washington Square Press, United States, 1996. Paperback. Book Condition: New. Reprint. 201 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.Soup Spoon Wise is dying on the unforgiving streets of New York City, years and worlds away from the Mississippi delta, where he once jammed with blues legend Robert RL Johnson. It was an experience that burned indelibly into Soup Spoon s soul -- never mind that they said RL s gift came from the Devil himself. Now it s Soup Spoon s turn to strike a deal with a stranger. An alcoholic angel of mercy, Kiki Waters isn t much better off than Soup Spoon, but she too is a child of the South, and knows its pull. And she is determined to let Soup Spoon ride out the final notes of his haunting blues dream, to pour out the remarkable tale of what he s seen, where he s been -- and where he s going. Winner of the 1996 Black Caucus of the American Library Association Literary Award in Fiction.
