*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Fellow of Pembroke College, Oxford Blessings on those who publish Letters and Biographies, but a tenfold blessing on the writers of Autobiographies. They surely shall escape Purgatory and have the choicest valley in Paradise all to themselves, where they shall find Boswells that have no end and no lack of interest. Birkbeck Hill wrote these words one day as he laid down Motley s Letters, but the blessing, in one form or another, was one which always rose to his lips after reading any faithful piece of biographical work. Of all reading he best loved that which admitted him to the intimacy of a fellow-man, where, a silent and unsuspected observer, he could study the growth of character and follow the development of thought through the pages of Letters or Autobiographies. It mattered little to him whether the writer of the letters, the subject of the biography, were a man of action or a man of thought so long as the portrayal of character were intimate and genuine. Of such reading he never tired. He himself needs no detailed biography, for his life was all too uneventful to be closely recorded, nor did he, even to gain the choicest valley in Paradise, ever knowingly compose an Autobiography.
