SAGE Publications Inc. Paperback. Book Condition: new. BRAND NEW, The Survival Kit for the Elementary School Principal, Abby Barry Bergman, Judy Powers, Michael L. Pullen, For any head teacher, ongoing discussion and professional growth opportunities are critical to being an effective and successful school leader. In some situations, head teachers may be limited to attendance at regional conferences. In small school systems, administrators may experience isolation and the lack of collegial support from other school leaders. "The Survival Kit for the Elementary School Principal" demonstrates that the challenges head teachers face are common to all school administrators and that solutions and recommendations exist for a wide range of school leadership issues. Abby B. Bergman, Judy Powers, and Michael L. Pullen combine years of successful experiences as principals to offer an abundance of pragmatic advice for new and veteran school leaders. The book contains an invaluable array of forms, sample letters, charts, lists, and more, plus resources for the successful day-to-day administration of a school. This revised edition provides assistance and growth opportunities in: systems thinking; negotiating the daunting path of NCLB requirements; using data to inform practice; and, understanding the key role that new technologies play in a school setting.
