MY FATHER WAS A BIT PLAYER

DOWNLOAD

Createspace, United States, 2011. Paperback. Book Condition: New. 218 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****.During the Depression, the motion picture industry spun timeless fantasies of romance and adventure through the silvery images of its glamorous stars. The movie theater was a house of dreams, a place of refuge for a population struggling with economic hardship and emotional despair. We continue to study and adulate the icons of Hollywood's golden era-- but what do we know of the lives of the hardworking middle class that made Los Angeles a unique and thriving community? My Father Was a Bit Player gives us an engaging glimpse into that other-- and far more real-- Hollywood of the past. In 1933 Joe Cunningham, a struggling Philadelphia journalist, got his shot at realizing the Hollywood dream. Hired as a screenwriter by Fox Studios, he was confident that he had a lucrative and secure future in the movie business when he moved his large family to California. However when his contract was not renewed, his ambitions were redesigned by necessity. The family's fortunes consequently began to rise and fall as Cunningham strove to carve a professional niche as a character actor, while continuing his writing career. In this way he kept his lively family afloat and on the fringes of the excitement entertainment industry. In My Father Was a Bit Player Joe Cunningham's daughter, Joan, remembers her extraordinary childhood with a clear eye and a fond heart. She writes with beautiful clarity and graceful humor to relate her recruitment to attend Shirley Temple's fifth birthday party; how she came to witness the legendary back lot burning of Atlanta, and what it was like to cheer her own dad's larger-than-life appearances on the big screen. My...
