A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.

Putnam Adult, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Madness did not just run in [Rogets] family; it galloped, sped, sprinted, dashed and made haste. If the title of Joshua Kendalls fine new biography of Roget has a clinical Oliver Sacks feel, the material pretty much justifies it. . . . [Kendall] convinces a reader of the psychological roots and therapeutic success of the Thesaurus. New York Time Book Review The Man Who Made Listsis brisk and vivid, with Kendall coloring between the lines left by history. . . . Word geeks may find something to get their temperatures up. Los Angeles Times A readable and informative, if not masterful treatment of a worthy and fascinating subject. Seattle Times Who knew that the man behind the thesaurus also invented the slide rule, volunteered to test laughing gas, and barely avoided jail in revolutionary France? Library Journal Josh Kendalls biography trace[es] an intricate career and vividly depict[s] the early development of this extraordinary, quirky mind . . . Rogets achievement was certainly unique, and now the story of this troubled life and how he overcame his demons comes as pure revelation. California Literary Review Joshua Kendall has written a fascinating account of Rogets life. The book is dense with details and cleverly organized . . . New Haven Register In The Man Who Made Lists: Love, Death, Madness, and the Creation of Roget's Thesaurus, U.S. journalist and word-lover Joshua Kendall tells the life of Peter Mark Roget, thesaurus-maker to the world, and tells it very well indeed. There are enough sidelines and footnote-candidates (Roget tested laughing gas on himself, noticed the visual persistence-of-memory phenomenon that eventually allowed the cinema projector to be made, and participated in the making of the slide rule), and...
