Managers and leaders across the world spend frustrating hours trying to make a point and trying to make it stick until action and results are achieved. The answer lies in using the dynamics of old-fashioned storytelling which connects with, engages and influences listeners at a subjective, emotional and a primal level. From the king of storytelling himself. now you can learn the secrets that will take you far in leadership and in life! Scott Friedman, National Speaker Association President 2004-2005 Certified Speaking Professional 2013 Winner of NSA Cavett Award, MPI Rise Award, CSP Global.
