Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Excerpt: . . . 11 Following the Supreme Courts decision in IBP vs. Alvarez, the Wage and Hour Division again advised poultry processors of their obligations under the Fair Labor Standards Act. In May 2006 Georges Processing settled with the department by agreeing to pay more than 1. 2 million to more than 5, 000 employees. Georges also agreed to future compliance. The departments lawsuit against Tyson, which was filed in 2002, is ongoing. The success of the poultry-processing litigation demonstrates the careful balance we must deal with each day. We must weigh the benefits of prompt payment to employees against the benefits of en-hanced penalties against employers. Chairman M. We believe that we have achieved significant results for workers, and we will continue towards this end. Mr. Chairman, this concludes my prepared remarks. I will be happy to answer any questions that you or the members of the committee...
