

The Tai Chi Companion: A Book Around Tai Chi

Filesize: 7.48 MB

Reviews

The publication is easy in read through better to recognize. It usually will not cost too much. You wont feel monotony at whenever you want of the time (that's what catalogs are for concerning when you question me).

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Part mystical martial art, part exercise anyone can do, tai chi is the perfect activity to enrich your life, making you feel happier, healthier and more energetic. Not just another tai chi book, this guide explains how new and experienced practitioners can enhance both their practice and their lives. Some of the ways may surprise you. The book contains a complete range of exercises and activities with explanatory photos. It includes sections on opening the joints, improving mobility, stretching muscles and relaxation of both body and mind, designed specifically to complement the study of tai chi. There s also a guide to taking up tai chi and and practical tips for studying abroad, information on different styles, and a wry look at the competing versions of its history. An essential companion to living the tai chi way.
