This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

The first section is The Social and Economic Survey of the County by Prof. Branson, and the second section is the Industrial Survey of the City by Dr. Raper. The second part is presented in this volume and contains the Educational Study of the Schools of Winston-Salem by Dr. Williams. Dr. Williams came to Winston-Salem in February, 1917, and made a personal inspection of the school system. Every opportunity was afforded him that the facts might be known.
