

## The Vietnam War: A Graphic History

Filesize: 2.2 MB

### ***Reviews***

*This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).*

## THE VIETNAM WAR: A GRAPHIC HISTORY

DOWNLOAD

Hill and Wang, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Zimmerman and Vansant do a memorable job . . . A painstaking and even-handed tour of the politics and the strategic mistakes, the battles and the protests, the lives lost and the lessons learned." The Arizona Republic "This book has not only answered so many questions for me, but it has encapsulated the entire scope of the war into such easily digested segments without ever once feeling pedantic. I'm loving it for being so ambitious and respecting it for accomplishing it with such aplomb. I would have that what writer Dwight Jon Zimmerman and artist Wayne Vansant have done would be incredibly difficult, but they make it look quite easy." John Hogan, Graphic Novel Reporter "I've waited years for a graphic novel like this an historic account of the Vietnam War and Dwight Jon Zimmerman and Wayne Vansant expertly deliver it! Over the years pop culture has dealt with Vietnam artistically, mainly in film, offering personalized perspectives of this troubling time. The Vietnam War: A Graphic History instead is focused on the facts, and the actual war itself which is an incredibly gripping tale. With the state of the world today, the lessons of Vietnam are more relevant than ever before, making The Vietnam War: A Graphic History a must-read graphic novel for all ages!" Jim Salicrup, PaperCutz Editor-in-Chief and Museum of Comic and Cartoon Art Trustee "Zimmerman and Vansant lead the reader through the military, political and social history of an incredibly complex topic. They show the North Vietnamese as well as the American viewpoints, and the successes and failures of both sides. No one book can properly tell the history of the Vietnam war, but Mr. Zimmerman and Mr. Vansant's graphic history is a valuable introduction to the conflict." Larry...
